

Riverland Terrace Buildable Lot!!!

0 Parkway Drive

**Riverland Terrace
Charleston**

MLS# 15002404 - \$169,000

One of the last buildable lots in Riverland Terrace--build your custom dream house!
This section of the Terrace is extremely quiet and only a block from the boat landing and the public park on the Wappoo Cut. Great Oak trees at the very front of the lot. Just a couple walkable blocks to the Terrace movie theater and great restaurants. If you have had a hard time finding your dream house in the current market then come build it!
