

*New Construction In Waterfront
Community On The Wando River*

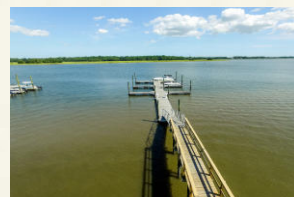

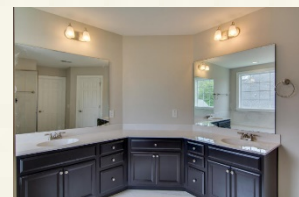

1004 Jervey Point Road

River Reach Pointe ~ Charleston

MLS# 16029659 ~ \$469,900

New Construction in a quiet subdivision with no through traffic. It is located a few hundred yards from the Wando River with a locked neighborhood dock. There are 72 houses in the development so HOA fees are low - even with a dock. The house will be very open. You can pick the colors, trim, counter tops if you act quickly as the house is just under construction. Come see the plans. A neighborhood pool is in the advanced planning stage with land purchase agreements done and the land cleared.
