This absolutely charming home with four bedrooms, two full baths, and a half bath is vacant and easy to show! With hardwood flooring running throughout the downstairs and carpet in the four upstairs bedrooms, this house will make a great home for your family.

The entire house gets great natural light. When you enter the house you will be impressed with the large living room featuring a beautiful wood-burning fireplace. Great for a large family or for a needed office space or playroom. The house has an alarm system in place for added security. HOA dues include the neighborhood pool and playground. Conveniently located near shopping and I-526.
