Charleston, SC 29401

MLS# 16028482 ~ \$1,050,000

Charleston single with serene fenced-in garden in the Harleston Village area of the city. Wonderful Heart of Pine wood floors throughout the home. Downstairs master with a spa like master bathroom and large walk in closet. Large open gourmet kitchen, that flows to the dining area. The cathedral ceiling living room with sky lights opens up to a beautiful garden area. Great for entertaining or enjoying a cup of coffee outside in the city. Amazing location. A stone's throw away from Memminger Auditorium. Two blocks from King Street.
