Buckshire • Summerville, SC 29485 • MLS# 17029230 • \$254,900

This 4 bedroom and 2.5 bathroom home shows like a model! There is an open concept downstairs with a huge master on the main level. The master bedroom also has a deluxe master bathroom with whirlpool tub. The kitchen has 42" cabinets and stiletone counter tops - it's perfect for entertaining guests!

The covered porch overlooks the pond. Upstairs there are additional bedrooms with a full bathroom and a loft, which is perfect for an office, playroom, bonus room, etc. There is also upgraded wiring throughout the house, a tankless hot water heater and the 2 car garage has a garage door opener.

Pride in ownership really shows throughout this home that was built in 2013.
