

The Only Available Lot In Scotts Creek Use Any Builder!

Only lot currently for sale in Scott's Creek. This lot offers breathtaking views down the length of the pond. It is also one of the larger lots in Scotts Creek at .40 acres. You can use the builder of your choice with this lot. You do not have to use the on-site builder. Your builder must simply follow the same set or architectural guidelines. Time is running out to get into Scott's Creek using the builder of your choice.
