First Floor

Detached Garage

Lovely cottage just minutes from Sullivan's Island beaches in the desirable neighborhood of North Point. This home has been tastefully remodeled with 3 bedrooms, 3 full baths and a large living area. Beautiful hardwood floors, marble counter tops in the kitchen with a glass back splash and stainless appliances, a large dining room and a sunroom. The attic of this home can be finished into another living area or more bedrooms and baths. There is also a finished flex room adjoining the garage with a full bath, which would make a great office, man cave, or even a 4th bedroom.
