*****BRAND NEW CARPET!!! (4/17)*****

It's time to relax in Charleston's largest active adult community & this adorable home will provide your low-maintenance haven. This lovely home is the perfect size to reduce stress while living comfortably & it's a quick jaunt away from the amenity center. Plus, it backs up to a private wooded buffer with NO rear neighbors! The adorable sun room has double sliding glass doors that open to a gorgeous stone patio - the perfect place to read the paper while enjoying a cup of coffee. The kitchen boasts numerous upgrades: solid surface counters, tile flooring, larger cabinets & more. The master is spacious with a generous sized en suite offering dual vanities. The guest room is delightful & can double as an office or library with spectacular built-in shelving.

The family room is spacious and comfortable and provides a great, open layout for relaxing, reading, watching or entertaining.

The 2-car garage is large and includes two handy closets for storage.

Owners are willing to convey all window treatments with an acceptable offer.
