Welcome to this beautiful lakefront custom built home with 4 bedrooms and 3.5 baths. Custom site-finished oak hardwood floors are throughout the main floor except the master bedroom which has new carpeting. The main floor features the master suite, an updated kitchen with granite counters, gas range and stainless appliances, a large family room, formal dining room and breakfast area. Upstairs are two OVERSIZED bedrooms with walk-in closets, a Jack and Jill bathroom and a loft area which could serve as a study or sitting area. A fantastic room with tiled floors and full bath was added on the ground floor which can serve as the 4th bedroom, a game room or an office. You'll love the tranquil back porch and deck space overlooking the lake!
