

1752 CENTRAL AVE - SULLIVANS ISLAND MLS # 1409149

Charming is the most appropriate definition of this Circa 1905 Sullivan's Island home! Built by the Army for Junior Officers Quarters to protect and service Fort Moultrie. This home has many wonderful features, including large plank heart pine floors, vintage doors and mouldings, and a picturesque setting. The landscaping and exterior brick pavers are exquisite, a gardner's delight! Large porches grace this home, with calming onshore ocean breezes. A cistern from bygone years has been used as additional storage. This home appears to be in good condition but needs some work in the kitchen area and baths. A great opportunity to own a unique Sullivan's Island home with character and lots of charm. Chandelier in the dining room does not convey and will be replaced.
