

1916 N. Smokerise Way - Planters Pointe

Mount Pleasant
MLS# 1305323
\$329,900

4 Bedrooms | 2.5 Baths | 1,786 SqFt

This is a lovely 2 story home featuring 4 bedrooms and 2.5 baths in Planters Pointe. The first floor has hardwood floors throughout. The large family room features a gas log burning fireplace, built in surround sound speakers, and access to a nice screened porch overlooking the large, fenced in backyard. The kitchen features white cabinets, granite counter tops and all appliances are included. Separate dining room along with half bath are also located downstairs. Upstairs you will find a spacious master bedroom with tray ceiling and attached master bathroom. The master bathroom contains a double vanity, garden tub and separate shower. You will also find 3 more bedrooms upstairs and a full bathroom. The FROG was converted to be a large guest room. The neighborhood amenities include a community pool, tennis courts, club house and play park for your enjoyment. Additional home features include a security system and sprinkler system. According to tax records, land located to left of property and rear of property is categorized as HOA wetland buffer.
