

Great property for development

2200 Oakland Road

Pierpont ~ Charleston ~ MLS# 1424395 ~ \$249,000

This is a lot, with a small cottage, a carport and a small storage or other type of structure attached to the carport.

The home is AS IS. This is a great property for a developer, or to build a lovely home on.

There are beautiful pecan trees and the lot is fully "grassed". The home is vacant.
