Move in ready! Great home in established neighborhood. Home features stainless appliances, granite countertops, fireplace, two car garage, FROG, screened in porch and attached deck. Back yard has privacy fence. HVAC installed about 2 years ago and crawl space encapsulated with installed dehumidifier. The home was featured on HGTV's House Hunters. Enjoy walks around the Bird Sanctuary at Golden Lake. Membership to the neighborhood tennis courts and private boat ramp are available as well! This beautifully renovated home will not last long!!
