

Move-in Ready!

Open House Saturday 1-4

2529 Daniel Island Dr, Daniel Island ✕ MLS# 1410594 ✕ Asking \$650,000

Talk about move-in condition! This two story, 2013 built, three bedroom, three and half bath beauty on Daniel Island is completely decked out and has everything you've been looking for. Full front porch: check, over 2,500 square feet of luxurious living: check, ideal location on Daniel Island: check!

Take a step inside from the front porch to discover gorgeous hardwood floors, high ceilings, crown molding and baseboard molding. You'll easily envision having lots of company in the formal dining room where chair rail molding and wainscoting create a beautiful setting. French doors leading to the study reveals a quiet sanctuary to maximize your productivity. The main living area on the first floor boasts an open concept kitchen into the living room with its corner fireplace. The kitchen is one you'll love cooking in and guests will enjoy visiting with you at the breakfast bar or in the eat-in area. This sparkling cook space features granite counters, stainless steel GE appliances, recessed lighting, and a gas cooktop. The first floor master allows lots of light to pour in from the wall of windows, has a walk-in closet and an en-suite bath with a dual vanity, garden tub and a stunning walk-in shower. One of the nicest parts of this home is its outdoor living areas: there's a spacious screened-in porch that looks over the fenced-in backyard, the full front porch AND a porch on the second floor too! The second floor offers additional living areas that include the loft and the media room. There are two additional bedrooms and two baths on this level too. When it comes to a swimming pool, tennis, golf, walking, biking and boating, you're truly at the center of it all. Indulge yourself with this incredible masterpiece, come by today before it's too late.
