Cute home in Northwood Estates. This 3 bedroom 2 bath home sits on a .32 acre lot backing up to woods and water for added privacy. The property line extends beyond the fence in the back yard. This home features an open floor plan, hardwood floors with a wood burning fire place and wet bar. The kitchen is spacious with plenty of cabinet space and the laundry room is separate but found off of the kitchen. Don't miss this opportunity to live in a well established neighborhood in North Charleston!
