2678 Coquina Drive, Charleston, SC

- 2,212 sq. ft. of low country “country” living in a neighborhood where homes rarely go on the market
- Minutes to historic downtown Charleston, airport, shopping, award-winning restaurants & premier medical facilities
- 2.15 acre gives ample space for gardening, playing catch or the four-legged family member to run and explore
- Attached two-car garage PLUS a detached two-car garage. Plenty of room for cars or other toys
- A 16,000 gal. inground pool and four-seater hot tub makes the backyard an oasis for fun times
- Beautiful new granite and glass tile backsplash in bright eat-in kitchen with bay window and backyard view
- Finished bonus room over garage can be a space for whatever (media room, bedroom, office, crafts room)
- Paved driveway, white vinyl fencing in front, wrap-around porch give this home some serious curb appeal
- Lush landscaping, boxed herb garden areas, flagstone tranquility patio among the palmettos
- Deep-water community dock for fishing, crabbing, or just sitting and enjoying the water activities
