

341 Cooper River Blvd ~ Tides Condominium

MLS# 1325625 ~ \$847,900

Expect to be impressed with this lovely two bedroom end-unit condo located in the prestigious Tides. Desirable building 3 has breathtaking views of the marsh, river, and serene sunsets. If you are a gourmet cook or just like to entertain friends and family, this is the floor plan for you. Stainless steel Viking appliances, including refrigerator, microwave/convection oven, 6 burner gas cook top, warming tray, trash compactor and dishwasher make this a cook's dream. Kitchen also features a huge walk-in pantry and ample cabinet space. The large living and dining room create an open space perfect for entertaining. The deck flows off the dining room adding to the ambiance of waterfront living. The master bedroom has a separate balcony with fabulous views, a huge walk-in closet, upgraded master bath with an air jetted soaking tub, water closet, extra large shower, double vanities, and marble countertops. The second bedroom is a generous size and has its own upgraded double vanity bath. All closets have custom shelving and the laundry has additional cabinetry. Rounding up the rest of this remarkable unit is a office/guest room and a half bath was up-fitted with a step in shower perfect for guest. Extensive crown moldings, soaring 10 ft. ceilings, upgraded lighting package and tasteful designer touches have made this unit a must see. No expense was spared when designing this unit with over 120k in upgrades. As with all Tides units, you have CAT-5 wiring, RG-6 cable, extensive sound proofing, underground parking, concierge service, private coded elevator access, and amenities that are hard to beat...pool, sauna, steam room, therapeutic whirlpool, and fitness center
