Darrell Creek | Mount Pleasant, SC 29466 | MLS# 16011129 | \$1,295,000

Beautiful custom built home in highly desired Darrell Creek with all the bells and whistles that a discriminating buyer is searching for! This elevated 6600 sqft home has 6 bedrooms, 5.5 baths, 5 porches, a 6 car garage and a heated, salt water 25,000 gallon in ground pool with water fall. Chef's Delight Gourmet kitchen features granite counter-tops, custom soft close cabinetry, a 5 burner GE Monogram gas cook top and stainless steel appliances. The kitchen overlooks the family room and has direct access to the side porch that leads to the backyard. The oversized master suite is downstairs along with an oversized "Media room" which includes a 100" Sony Projection screen with full surround system. Solid hardwood doors and beautiful tiger wood floors are throughout the entire house, every counter top is granite and every shower is tiled. The 2 story coffered ceiling family room has a gas fireplace with granite surround and hearth, built in bookcases and has direct access to the double doors that lead to the rear screen porch overlooking the beautifully landscaped back yard that is fenced in with raw iron railings. Upstairs is a "Juliet" balcony and raw iron railing that overlooks the family room as well as 4 oversized bedrooms. Bedroom 2 & 3 share a Jack n' Jill that has a full floor to ceiling tile shower. Bedroom 4 has a private en-suite bathroom and a reach in closet with built ins. Bedroom 5 is a massive "second master-style bedroom" that has a 2 basin en-suite bathroom, a full linen and full walk-in clothes closet, a private balcony that overlooks backyard/pool. This bedroom also has a private sitting room with a full walk bookcase and access to a large walk-in, conditioned storage closet. Ground level is finished off and could be used as an in-law suite, maid quarters or spare bedroom. Some other items of importance are Central vacuum, central surround system with room volume controls, plantation shutters, alarm system, 2 story stop elevator shaft, Butler Pantry, 3 season room with sliding panels, a massive walk in storage closet, beautiful outdoor landscape lighting, 2 Rinnai water heaters, work shop, stamped concrete curbed planting beds along with a lawn irrigation system on a separate water supply. This house sits on .8 acres on a dead end street, backs up to protected wetlands and is right down the street from Roper St. Francis hospital and the public schools. This home is a MUST SEE! Listing agent believes all information on the MLS to be correct, however, buyer should verify all information important to them.
