

Newly Listed in Darrell Creek

3763 Saint Ellens Drive

Mount Pleasant, SC 29466
MLS# 18012874 | \$790,000

Want a recently built custom home with the privacy of a large wooded lot? Look no further! Located towards the front of Darrell Creek, this incredibly well maintained 4132-sqft home sits on over half an acre with 5 bedrooms (1 of which is downstairs w/a full bath) and 4.5 bathrooms! A 22'x22' extended screened porch is the "jewel" of the home! Bahama shutters for privacy, 3 ceiling fans and a lanai-type screened setting overlooks a professionally graded backyard (perfectly prepped for an in-ground pool); it's an ideal place to unwind. The fully-fenced backyard has another outside patio and backs to unbuildable woods. A 12'x24' shed complements the 2-car garage and is perfect for tools, storage or a workshop. There is also an additional parking area for a boat, jet skis, trailer, etc.

See the listing in the MLS for more details
