

401 Kinloss Country Lane

Mount Pleasant, South Carolina

Very spacious, upscale condominium with plenty of natural light from windows yet is very private. Main living space has a Dining Room with bead board wainscoting, a Butlers pantry with beautiful cherry/glass cabinetry and a very nice kitchen with granite countertops. This area opens to an eat in bar, family room with a gas log fireplace. It opens up onto a spacious outside deck which is perfect for entertaining. The Upstairs Master Suite is large, with a tray ceiling and by opening the French doors it provides a nice sitting room/home office/sewing room. The Master bath has a glassed in shower with two direction rain showerheads, a large tub and tile floors.
