This Beautiful Custom Brick home is located on the 7th fairway in the sought after Gated Community of Coosaw Creek Country Club. Enjoy the view of the pond and golf course from a custom tiled covered patio that leads to an ample sized deck perfect for cook outs or relaxing the day away. The views from this home of the well landscaped yard, golf course and pond are awesome inside and out, bay windows line the back of the home which creates a panoramic view of the 7th fairway. Entering the home you are greeted by a beautiful open foyer with a 20ft ceiling, custom hardwood floors that flow through the lower level of the home, a formal living room on the left and separate dining area on the right. A beautiful curved staircase leads to the 2nd story. In the family room there is a gas fireplace to take the chill off on those cool winter evenings. Custom built shelving and French Doors lead to the covered patio.

The kitchen is a gourmet's delight with plenty of Granite countertops and beautiful Cherry Wood cabinets. A center island with Black Galaxy granite and stainless gas range, stainless refrigerator and built in microwave make the kitchen a very attractive feature of the home. The Master Bedroom is absolutely gorgeous with tray ceilings, sitting area and beautiful views of the grounds. Master Bath has custom Granite Tile, oversized separate shower, large jetted garden tub, and two spacious his and hers walk-in closets. The second level of home has three bedrooms, one with it's own full bath the other two are connected with a large jack and jill bath with separate toilets. A huge media room or fifth bedroom with its own full bath and separate heating and cooling system. Sony Wega HDTV and surround sound system that conveys to new owner. There is also a bonus room that can be used as home office. The second floor can be accessed from off the eat-in portion of the kitchen or the foyer, connected by an extra wide hall/landing. Added features include, custom landscaping, custom crown molding, security system, 8-zone irrigation system, sound system with built in speakers in most rooms and on patio. Another unique feature is the dual electrical system...200 amps on first floor and 200 amp on second floor, each with its own breaker box in the garage. Owners have spared no expense to make this a truly wonderful home. Dorchester District II School system.
