

Open House Saturday and Sunday, July 26 & 27 from 11:00-4:00

Please join me at 4640 Westervelt Road in Meggett, SC for a sublime day in the country. Bring your fishing pole or your cast net and explore the Wadmalaw Sound from a private floater on a shared dock. Perfectly situated on a very peaceful and serene 1.5 acres, you will love the breeze coming off of the water and the views from the grand wrap around porches. This magnificent farmhouse was built in 1919 and was meticulously restored in 2007 under architect Beau Clowney's tutelage. It currently qualifies for placement in the National Historic Register and exudes so much charm that it transports you back to another time. I very much look forward to seeing you. Please bring your family, friends and clients as refreshments and a light lunch will be served!
