DESCRIPTION & DETAILS

Elevated drive under Charleston single style home with double front porches along with raised screened in porch on rear of home. Parking for two cars and workshop underneath home with ample storage. One of the best open floorplans offering four bedrooms, three baths, formal dining room, large kitchen with breakfast nook, great room with gas log fireplace. The fabulous kitchen has custom white cabinets, solid surface countertops, stainless steel appliances, gas cook top, double ovens, and built in microwave. Beautiful laminated hardwood flooring throughout the first floor, attractive bead-board paneling and custom moldings along with plantation shutters compliment this lovely home. One bedroom and bath on first level and master is upstairs.
