First Floor

On a large private lot that backs to a pond, this one-story home has great features, and is in one of the most sought-after neighborhoods in Mount Pleasant. Really nice flow to the floorplan, starting with the Great Room with vaulted ceiling, fireplace and bookshelves, a large eat-in Kitchen with center island, and a separate Dining Room...all are nicely set off by columns and arches. Roof replaced in 2012; heat pump in 2008. Enjoy outdoor privacy on the screened porch or entertain on the big deck in the fenced back yard. Being close to downtown Charleston, the beaches, shopping, the airport and all of the area's attractions means you can be at any of these places in minutes. Live in comfort and convenience all around! 3 BR/2 BA; 1620 Sq. Ft.
