MLS #17013296

Available Now. Move In Today. Beautiful Newly built home with wood floors, granite and stainless steel appliances. This historic duplex was recently gutted to the studs and everything is brand new. The premier location is close to the College of Charleston, the Medical College and all the shops and restaurants on King St. There are two off-street parking spaces in the back, plus two parking decals for on-street parking, for a total of 4 parking spaces. Ashe Street has parking on both sides. Unlike many historic homes, this one has lots of insulation for lower utility bills. The windows are new. The high-efficiency HVAC is new for much lower bills. There is even insulation in all the interior walls, so the bedrooms and the whole house should be much quieter. Must see to appreciate
