the cure for house envy

76 Maple Street

Charleston

\$426,500

Spectacular renovation of 1930's craftsman home!

This 4-bedroom, 3½ bath downtown gem offers 10' ceilings, pine floors, 2 master bedrooms, and fireplaces in both the living room and dining room.

The spacious eat in kitchen boasts granite counter tops, gas stove, solid wood cabinets and soft close drawers.

Tastefully redone, this renovation preserves the home's historic character while providing all the modern comfort and conveniences.
