This beautiful home, located in one of Mount Pleasant's most desirable neighborhoods, is in immaculate condition and offers refined craftsmanship and construction with attention to detail. Situated on a large landscaped lot, the home features 10' ceilings, wainscoting, handsome moldings, coffered ceilings in several rooms, and wood floors.

Families will especially enjoy five wonderful family-friendly features of this home:

- Large, separate upstairs den with fireplace
- Each bedroom has a private bathroom
- Homework/hobby area tucked away out of sight on the second floor
- Large media/playroom/5th bedroom with full bathroom over three car garage
- Gate leading from the backyard directly onto the sports field of Ion & a quick walk to the Ion Club's pool and tennis amenities.
