94 DALTON STREET

CHARLESTON, SC

Step into Exquisite Luxury...

94 Dalton Street, Charleston, SC 29492

This magnificent home is located on the golf course in serene and sophisticated Daniel Island Park. As Home Magazine's 2003 American Home of the Year, the stunning architecture is your first indication that 94 Dalton is a timeless custom home that speaks of old-world style and superior finishes. Impeccably cared for and immaculate, no detail has been overlooked and the finest materials are evident.

Stunning focal point: For easy transition between indoor and outdoor living, every room in the home accesses a loggia, patio, or balcony open to the impressive Courtyard for easy dining al fresco or grand style entertaining. Ask for a complete list of the outstanding special features of this home that make it a true treasure.
