

# Win A Dinner For Two At Grace & Grit Restaurant

## Benchmark Inspections of South Carolina is expanding

To celebrate, we're hosting a giveaway for a \$100 gift certificate to Grace & Grit Restaurant.

We have always been proud to be a small, locally owned company and we pride ourselves on giving our clients a personal experience. However, thanks to all of the realtors & clients that have been so kind to depend on us and recommend us to others, we had reached a point of not being able to accommodate all of those who called us.

So we are now happy to announce the addition of Steven Wolfe to our team. Steven was born & raised right here in the Lowcountry and he is excited to put his talents, knowledge, and enthusiasm to work for you!
