

GRILL REHAB

The Grill Cleaning Professional

Locally owned and operated by Morgan Aycock

According to the National Fire Protection Association:
From 2009-2013, fire departments responded to an average 8900 home fires involving grills. The leading causes of grill fires were a failure to clean!

Grill Rehab's unique grill cleaning process provides many benefits for grill owners including:

- ✓ Removing harmful carcinogens and charred particles that can be passed on to food.
- ✓ Professionally cleaning burners and interior parts to improve performance, prevent future corrosion, and prolong the life of your investment.
- ✓ Removing stubborn grease deposits, drastically reducing the risk of a dangerous grease fire.
