

We are more than just vacation rentals!

Since Island Realty was founded in 1977, we have managed Long-Term Rentals in the Charleston community. While we may be known for our Vacation Rentals, our Long-Term Rentals division is also experienced, effective, and service oriented. Through our Long-Term Rental program, homeowners are able to maintain revenue all year. With our team of Licensed Property Managers, homeowners have peace of mind that their property is in great hands.

Our property management team will help homeowners generate monthly revenue while helping to preserve the value and integrity of the property.
