# **BROADCASTS FOR BROKERS PROGRAM**

You need clients, I need loans, we can help each other out!

RESMAC developed a great business relationship with the radio stations. This is how it benefits you:

-For every referred loan we close, I will place YOU on the radio station of your choice at no cost to you. Imagine 5000 people a day listening to your voice describing what you can do for them as their Realtor! If they don't know about you, they won't call you.

-What I do for your client: I WILL place them in the best loan program for them at the best rate. I will not be beat on a rate, it just won't happen. And I will give 1% of the loan amount to the borrower on the HUD to be used however they want!

-Call me TODAY so we can get this program started for you

-Also, ask me about our BILLBOARDS FOR BROKER program.
