VINCENT DRIVE

DESIGN

Offering 3 or 4 bedroom homes, the architectural style is a blend of classic Lowcountry elements with slightly urban gestures. Interior finishes for all units will be consistent to those found in custom and semi-custom residential construction. The townhomes will have several upgrade options for potential buyers.

FEATURES:

- Each town home will have the option to be designed to meet the style of its future owner
- Two-car garage with storage space
- Elevator shaft
- Low-maintenance cementitious siding & trim with fluid-applied weather barrier
- Architectural shingles with metal accents and wind & water shield
- Hardwood floors & treads finished on-site on main floor
- 10' ceiling on main floors
- Granite counter tops & shaker style cabinets
- Interior finish customization available
- Porches on all units
