THREE TOOLS WE LOVE...

ERA GOLD STAR PROPERTIES

The ERA Gold Star Property program is a systematic approach for preparing a listing, with an action plan designed to maximize value, reduce time on market, and increase potential buyer consideration. ERA Gold Star Property clearly differentiates you from your competition, distinguishes your listings from other homes for sale, and delivers true value to buyers.

ERA HOME PROTECTION PLAN

Help protect your sellers and buyers from the unexpected (and often expensive) costs of repair and replacement of home systems and appliances. Homes with an ERA Protection Plan can sell 23 days faster and for an average of 4% more at closing!

ERA INTERNATIONAL COLLECTION

The ERA International Collection provides agents with a competitive edge in the affluent marketplace. Members working in high-end real estate enjoy training and marketing collateral, education resources, and enhanced online presence for their listings. *Membership fee and training course required
