## 1002 McKnight Forest RD Moncks Corner, SC 29461

Welcome to your dream home, nestled on a sprawling 2.5 acres. This custom-built brick single story offers the perfect blend of southern charm & country living at its finest...3 bedrooms, 2 baths, with a large room over the garage: 4th bedroom, game room/man cave, office, etc, large master suite, master bath has a separate shower/jetted tub, dual vanities, walk-in closet; wired for surround sound in many rooms/back porch. As you enter the foyer from the full southern front porch you'll see a formal dining room and formal living room/office - the family room offers a gas fireplace/bookcase, and special lighting in the trim work, kitchen w/stainless appliances, custom cabinets, overlooks the family room, screen porch, and great views of the huge back yard - pool, pond (w/fish!), and 2 car detached garage/workshop (30 X 32!), with an attached covered boat storage/lean-to (32X21 paved), offers plenty of room for your projects/storage. Home/Land is awesome for entertaining: pool parties, cookouts/oyster roasts, corn hole tournaments, etc.
