You'll find 1007 Steelechase Lane in the Carlton Place neighborhood, one of the most conveniently located areas in all of Hanahan. Less than five minutes from the brand-new Bowen Elementary School, ten minutes from Wanamaker Park, and just twelve minutes from Park Circle, you'll also be just a short drive from many dining and shopping options! You'll be hard-pressed to feel surrounded by everything while at home, though, as you'll have spacious front and back yards. The large screened-in back porch overlooks the beautifully landscaped, spacious backyard and provides a perfect place to sip coffee or sweet tea while enjoying the beautiful Lowcountry weather. If you'd prefer to relax in the yard itself, a wooden swing is thoughtfully positioned in the shade of the trees from the woods bordering your backyard. Inside the home you'll appreciate the 9ft ceilings, enormous master bedroom, large formal dining room, and eat-in kitchen. There are also many upgrades and features, including newly installed engineered hardwood flooring, a dual zone HVAC system, and a recently renovated laundry room, which features classic subway tile and new cabinetry. From the moment you park in the two-car garage, you'll feel right at home. Schedule your showing today; this home won't last long!
