A rare opportunity to own a beautiful home in Huntington Farms. You simply won't believe you are only 4 miles to Town Square. This opportunity includes a beautiful home, a 3 stall horse barn, and a fully stocked pond. Your new home features 4 bedrooms and 3 full baths. All bedrooms are upstairs except 1 that could serve as a guest room or downstairs master bedroom. This traditional layout includes a living room and dining room on either side of the entry foyer, and a family room is in the back of the home. There are 3 fireplaces. Two are gas log and the other has a wood stove. The kitchen was renovated about 2 years ago with new cabinets, counters and appliances. A large sunroom is just off the kitchen and leads to a large room that could be a media or playroom.
