Low Country living on Daniel Island without an HOA. This property has the combination of being conveniently located while offering over an acre of land and privacy. The home has many flex spaces to accommodate your family's needs. The renovations have all been done with Southern Charm- including an updated kitchen, bathrooms, shiplap, and much more! The large bedrooms and bathrooms give comfortable living for all.

The home features a traditional attached 2-car garage and a huge detached 3-car garage. Plenty of room for all of your toys! The sunroom and screen porch are the perfect place to gather.

The outdoor possibilities are endless!
