Well kept spacious home. Open floor plan with easy access flow. Quiet neighborhood - home on cul-de-sac. Home has one of the largest back yards in neighborhood with wooden privacy fence with area designed for relaxing after a hard day's work. Kitchen has 42" cabinets with glass fronts. Master bedroom has vaulted ceiling, large shower in bath. Second bath has a copper penny floor - very lovely. Home has a home warranty that has been just renewed by the owner. Home is a show case as current owner is an interior designer. This is a must see.
