Welcome home to this beautiful custom-built gem located in a quaint, quiet, upscale community of charming cottage-style homes within minutes of Historic Summerville. This cozy open floor plan features gleaming hardwood floors, updated light fixtures, custom-designed tile, 9 ft ceilings, chair rail, wall molding, and much more! The first floor features a beautiful office space with an accented wall that adds beauty to this stunning room. The spacious family room is open to the kitchen, which allows for great entertaining. The kitchen features granite countertops and plenty of counter space. Around the corner is a separate dining room for gathering family dinners. The spacious master suite upstairs features a garden tub, separate shower, dual sinks, spacious walk-in closet, and beautiful custom tile flooring. Upstairs you will find two additional bedrooms with a fully updated bathroom. Enjoy the spectacular outdoor kitchen designed for year-round outdoor living. Beautiful low-country pavers, stainless steel grill, sink, refrigerator, huge countertop bar complete this space. Enjoy playi...
