End unit, updated townhome with single car garage on tree-lined street in Kiawah Island-inspired Marsh Cove! Just inside 526, so avoid the gridlock traffic of West Ashley. Home has been completely renovated: new vinyl plank flooring on first floor and new Berber carpeting on the stairs and in the 3 upstairs bedrooms, new smooth top Frigidaire stove/range and dishwasher, each has a 3 year service plan, new range hood and single control kitchen faucet, master bath updated, new ceiling fan in living room, new kitchen, bathroom and dining room lighting. All kitchen appliances are Energy Star certified. Inside has been freshly painted throughout: walls, smooth ceilings and trim. New decking on the almost 300sf outdoor oasis. Original cedar siding replaced with factory painted Hardi-plank cement siding in 2015, new roof installed September 2017, new Energy Star HVAC system installed August 2018. Room off master bedroom would make a great office, sitting room or nursery. Tons of closet space in bedrooms and easy-access pantry off kitchen. Lots of great light in this home. This house is turn-key on a quiet cul-de-sac in a great school district. HOA neighborhood salt water pool, tennis, volley ball and basketball courts are a short walk from the home. Club house and community areas all renovated within the last 3 years. Flood insurance is only \$519/year and HOA dues are only \$60/month! Hard to find a neighborhood pool for that low. The cul-de-sac makes for a great area for children to play. Great opportunity for first-time buyers! Check this one out in person!
