LIKE NEW BUT BETTER. Seriously, this home is barely lived in at just 9 months old and is listed for LESS THAN NEW PRICE. With 3 bedrooms & 2 baths, this single level home offers an open floorplan, complete with a spacious and upgraded kitchen with a big island, gas range, side by side refrigerator, granite counters, lots of cabinets and a pantry. The primary bedroom is separate from the others. features a walk-in closet, and nice private bathroom. The home offers smart home technology with lighting control, and a security system equipped with cameras, water and fire sensors. The home overlooks a large pond
