MOTIVATED SELLERS!

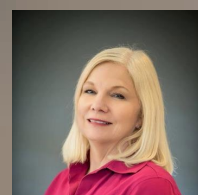

A Chance to have a beautiful, like new home in Mixson. A popular community in the Park Circle area with shops, a pool and clubhouse just steps away. This 3 bedroom 2 and a half bath home is very attractive and has a barely lived in appearance. Large living area open to a gorgeous kitchen with a huge island to gather around. All bedrooms are upstairs. The home gets lots of natural light on both levels and is a real showplace for entertaining and easy living. Just added the Virtual Tour, take a look!
