

Large Brick Home on Stunning 1/2 Acre Lot

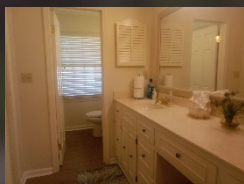

1680 Crooked Pine Dr

Deerfield ~ Myrtle Beach ~ MLS# 2016277 ~ \$309,000

A stunningly large 4 BR/3 BTH (with an additional shower) ranch style home (over an approximate 3700 sq. ft.) on an equally impressive lot (approximately 0.54 acres), and with lake frontage. Unusual in every respect. Bonus room at end of the house could serve as a huge additional 5th bedroom. Extensively updated (luxury vinyl plank throughout), but,...with room still for tailoring the property to one's individual tastes. All kitchen appliances to convey,...Buyer to verify all measurements/property data. And, a great value, given the size/location of the property, as well as the lot. A nice location,...close to everything, yet so quiet/relaxing,...and, well landscaped.

Won't last too long!
