2044 Lanneau Lane, Johns Island

\$799,000

5 Bedrooms | 3 Bathrooms | 2,970 sf | 0.44 Acre

Don't miss this chance to purchase your dream home in Oakfield, one of Johns Island's most highly desirable neighborhoods. This stunning home sits on almost half an acre (one of the largest lots in Oakfield if not the largest), is located on a private and quiet cul-de-sac and features an in-ground, heated saltwater pool. If that's not enough, the property backs up to wetlands adding ultimate privacy. This home literally has it all and shows like a model home, likely because the current owners chose every upgrade option available when they had this home built.
