JUST LISTED!

Pristine and ready for its next lucky buyers! A charming covered front porch welcomes you into this inviting home. The open-concept main level features a spacious living and dining area that flows seamlessly from the large kitchen with an abundance of counter space and cabinetry. A double-door pantry and generous eat-in area offer both convenience and functionality, while the breakfast bar comfortably accommodates room for four barstools-perfect for casual dining or entertaining. The home's neutral palette throughout provides a fresh, move-in ready feel. Upstairs you will find the spacious primary suite offering a respite from the stresses of the day. Completing the upstairs level are an additional two bedrooms, a full bathroom, spacious laundry room and linen closet. Enjoy the great outdoors in your fully fenced backyard. Epoxy garage floor provides a smooth and easy to maintain surface. Close to dining, shopping, downtown Charleston and area beaches.
