

2471 LANTERN STREET

Charleston, SC 29414

3 Bedrooms • 1.5 Bathrooms
Price: \$468,000
MLS #22028520

This home, located in the heart of West Ashley, is incredible! Not only has this charming ranch home been masterfully renovated and shows like a model but there are several features that really make it stand out amongst others of a similar size in this area. A stunning covered deck overlooks the fenced-in backyard with its beautiful arching oak trees and a uniquely massive two car detached garage with extremely high ceilings that could easily be converted to additional living space, a workshop or a number of other possibilities. The light and bright open floor plan welcomes you with the spacious living room, hardwood floors that are found throughout and you'll notice an abundance of natural sunlight. The dining area, off of the kitchen, has chair rail molding in addition to the baseboard molding, there is breakfast bar seating available at the kitchen counter as well as floating shelving, white cabinetry and SS appliances. Three bedrooms share the relaxing bathroom with its beautiful vanity and walk-in tile shower. Just outside of the dining area attached to the carport is the laundry room and a half bathroom. From here you can access to the covered deck and enjoy the peaceful backyard. You also have private access to the West Ashley Greenway from the backyard! This home is an absolute gem and located conveniently to shopping, dining, schools, and 526.
