**Beautifully built custom brick home in the Brickyard Subdivision of Mount Pleasant, S.C.**

Substantial attention to detail is seen in this home with eleven-foot coffered and tray ceilings and luxury tile throughout. This fantastic versatile open floor plan has three bedrooms on the main floor, one being the master suite, and each bedroom has its own bath. The fourth bedroom, the second master suite, is upstairs with its own bath. The gourmet kitchen has Thermador energy star appliances to include a six burner gas stove with griddle and double ovens, paneled refrigerator and freezer, double sinks, microwave, in-sink disposal and dishwasher. Luxury cabinets provide wonderful storage and there is an island bar for seating. The sun-filled breakfast room and sunroom are bright and open to the rest of the home and French doors lead to the deck overlooking the lovely private pond views. The screened porch is large and perfect for alfresco dining. Also open to the kitchen is the family room with beautiful coffered ceilings, a wall of built in bookcases and a gas fireplace.

Other wonderful features about this home are Anderson E-Star® vinyl windows, an encapsulated navigable, a two car garage, security system, two large shading walk in closets and a limitless water heater. Amenities include a pool/patio courts, boat storage and ramp, clubhouse and playground. Downtown Charleston and pristine beaches and within ten minutes away. Welcome to your new home built with quality finishes and meticulous detail.

*A true treasure.*
