Interior

Step inside to a spacious open floor plan adorned with elegant tray ceilings and new flooring throughout, including tile and wood. The modern kitchen is a chef's delight with new countertops, eat-ins island/bar, stylish tile backsplash and stainless steel appliances!! The primary suite is located off of the main living area and features a tray ceiling, large walk-in closet, en-suite primary bath, and breathtaking views of the creek with private outside access!! The primary bathroom boasts dual vanities, quartz countertop, custom tile walk-in shower, new fixtures and a garden/soaking tub! The other two bedrooms are both good in size and offer walk-in closets and plenty of space for visiting friends/family!

Exterior

Step outside and you will find that outdoor living is truly at its finest with a fully fenced yard, NEW porch with pillars, covered deck, and a rear split-level section overlooking the backyard and creek. Entertain your guests with an outdoor kitchen, bar, shower, and enjoy the detached workshop with new flooring for your projects and hobbies!! Step through the gate in the backyard and head down the walkway to find your own private floating dock with a jet dock and drive-on ramp. The property sits directly on the Abbapoola creek which measures around 6-7ft at high tide for easy access out to the ocean!!
