THANKFUL
AND
blessed

Thank you so much for taking the time to consider making this home your own. The sellers are grateful you took the time, thankful for the memories that make a house a home, and blessed that they have made so many of their own memories to share!

As a thank you, they are offering a \$2,500 closing cost incentive for an acceptable offer made on this home on or before November 26, 2018.
